## PHONICS CONNECTION

Create a Picture Sort wall. Make letter cards for each letter of the alphabet (upper- and lowercase), and post them alphabetically across the wall. Give children several blank cards, and have them draw an object, allowing only one object per card. Help children label their objects, and have them tape their card below the letter the object name begins with. A theme may be used, such as *Things in the Classroom* or *Things in Your House*.

## GRAPHIC ORGANIZER, PAGE 19

Have children fill in the web to show what they can read. Children may write words or provide examples. (*Possible responses: Mm, fun, Joel, I am happy.*)
